

Declaration of Compliance EU 10/2011

This declaration of compliance was created in accordance with regulation (EC) No.10/2011 about materials and commodity goods which are intended for direct food contact.

Our 1st tier suppliers have confirmed to us that materials and product(s) they supply to us comply with the legal regulations laid down in the European Plastic Regulation (EU) No 10/2011; 1935/2004; 2023/2006.

When used as specified, the overall migration as well as the specific migration does not exceed the legal limits. The materials and raw materials our suppliers use comply with Plastic Regulation (EU) No 10/2011 and 1935/2004 are formulated and manufactured in accordance with the CEPE/EuPIA Good Manufacturing Practices available at <http://www.eupia.org>.

Furthermore, our supplier's printing inks are formulated in exclusion of the substances listed by the state of California as carcinogens, mutagenic, or reproductive toxicants (California Proposition 65) and the printing inks meet all current CONEG requirements for heavy metal content.

While unexpected, it is possible that the scope of this declaration could change without notice. We gladly will furnish material specific declaration and compliance letters, please contact your sales rep, and specific a) which compliance declaration you need b) what PO or SOA your request relates to, c) your material code.
